

Get more out of your commute.

Try a greener commute – lower the cost of your daily drive to work, eliminate stress, and reap some valuable rewards, including gift cards!

Green commutes are the most rewarding.

If you drive alone to work, you can still earn points. But if you telecommute, take the train or bus, share a ride in a carpool or vanpool, or walk or bike to work, you'll earn the maximum points, 5x more than drivers! Don't lose out, try a green commute today!

It's easy to start.

Just download the *CTrides* app and sign up for your free *CTrides* account. Start recording your trips to earn points to redeem for thousands of discounts at local businesses, and be sure to enter our monthly drawing for a \$50 gift card.

Drive change with just one green commute per week and save \$100/month or \$1,200/year

Reap your rewards in 4 easy steps!

1 Download The CTrides App  

2 Set Up Your Account
Include your employer or school to be eligible for special events and raffles.

3 Record Your Trips
Track the money you save, the emissions you prevent, and the CTrides points you earn.

4 Reap The Rewards
That's it. And to give you a running start, you'll get 1,000 points just for setting up your account.

Fewer cars. Better air. Healthier lives.
