

# Make the Road Less Traveled.

## CTrides is here to help you spend less and stress less by driving a little less.

We make trying a new commute easy with solutions that are just right for you, such as carpools, vanpools, buses, trains, biking/walking, and teleworking. We can help you try out a new trip to work using our free services.

### Transit Finder

Use our handy Transit Finder to see what services are available for your commute.

### Personal Trip Planning

Get a custom plan for your commute to work.

### Ridesharing App

Find commuters to carpool or vanpool with by using our CTrides App.

### Bus Trial Passes

Get a pass to try out a bus commute to work.

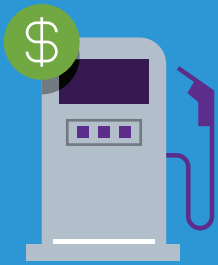

### Commuter Rewards

Access thousands of rewards for your green commutes!

### Emergency Ride Home

This program guarantees a way home in the event of an emergency when you take a qualified\* green commute.

\*Some restrictions apply. See [CTrides.com/ERH](https://CTrides.com/ERH) for complete details.

Switching to public transportation  
could save you almost

**\$10,000 per year**

In CT, **38%** of all greenhouse gases  
come from transportation

6 hours per week on the  
train allows you to watch

**12 episodes of  
your favorite show**

## Take the first step.
