

Try-It Days

Experience Sustainable Transportation with *CTrides*

Try-It Days events encourage the adoption of sustainable and active travel options by allowing participants to experience these modes at no cost in a supportive group setting.

CTrides provides a host of resources and tailored services to make it easy:

- Data analysis to determine the most efficient mode of transportation.
- Onsite events to encourage participation.
- Complimentary transit passes.*
- Incentives.
- Streamlined transit logistics planning.

** Subject to program guidelines and funding availability.*
