

# You Don't Have to Drive Alone.

## **CTrides helps you find flexible and reliable ways to get around Connecticut without driving alone.**

Explore new ways to travel to save money, improve your well-being, and reduce your environmental impact. Whether it's public transit, carpooling, vanpooling, biking, walking, or even teleworking, CTrides makes it easy to find the option that fits your lifestyle.

## **CTrides offers tools and services to make your trips easier and more rewarding:**

### **Transit Finder**

Find local bus, train, and other transit services quickly.

### **Personal Trip Planning**

Receive a customized travel plan delivered to your inbox.

### **Environmental Dashboard**

Track the impact of your travel choices on the environment.

### **CTrides App**

Find carpools or vanpools and explore travel options all in one place.

### **Trial Pass Program**

New to public transit? Enjoy free trial passes and personalized assistance to get started.\*

### **Emergency Ride Home**

If you qualify, get a free ride home in case of an emergency.\*

### **Rewards Program**

Earn points when you bike, walk, take transit, or share a ride, and redeem them for gift cards. More points = bigger rewards!

\*Restrictions apply. Visit [CTrides.com](https://CTrides.com) for full details.

**The average cost to own and operate a car in the U.S. is over \$12,000 per year - or more than \$1,000 a month.**
